CFSF Family Connection

Dear Foster Families:

Wow, how time flies when you're having fun! 10 years has come up awfully quick. In my wildest dreams, I did not see CFSF growing like it has. It is my hope and prayer that our devotion to you and concern for God's children that has allowed for such growth, but I will let God be the judge of that.

I will say, it has been a pleasure serving you all. I hope we have had a positive impact in your lives as you have taken on the real challenge of opening your homes to children in need.

From the bottom of my heart

Thank You and may God Bless you,

Mark Fullington

2010 Combined Federal Campaign

Woohoo! Community and Family Services Foundation has been accepted into the 2010 Combined Federal Campaign (CFC). We are currently able to participate in the Greater Olympic Peninsula, King County/North Puget Sound and Inland NW campaigns. Our 5-digit code for all campaigns is the same...57620.

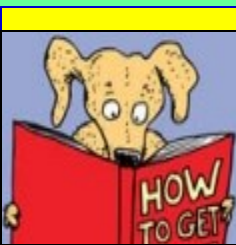

If you (or your family members or friends) are employed by the federal government, a member of the armed forces, or an employee of a contractor to the federal government, please consider designating CFSF as the recipient of your charitable donation. (Those automatic deductions are pretty painless..) And remember, even if the donor is outside of the U.S. they can still participate.

The more we receive, the more we can do for the kids!

2010 Combined Fund Drive

Any state employees out there? If so, please look at Community and Family Services as a worthy recipient of your Combined Fund Drive donation. (Urge your family members and friends to do the same!) Our 2010 CFD identifying number is 0521559 (same as in the past). Any and all donations are truly appreciated.

THANK YOU TO ALL WHO HAVE SUPPORTED US THROUGH THE CFC OR CFD OVER THE PAST FEW YEARS.

School Excuses from Parents:

Please excuse Jennifer for missing school yesterday. We forgot to get the Sunday paper off the porch and when we found it Monday, we thought it was Sunday.

Please excuse Wayne for being out yesterday. He had the fuel.

Disney Fun Fact:

Character "Cast Members" can't take off their suits even if they are in distress. They are also not allowed to speak when in costume. Crossing both arms in front of their body "I Dream of Jeannie" style is the distress signal. Security personnel are always within sight and will come running at this signal.
